The LeFleur Museum District (LMD) invites you to attend a special STEM festival!

Mississippi Science Fest

SEPTEMBER 23, 2017 9 a.m. – 4 p.m.

One ticket (\$10), four museums, and lots of science fun!

Children & families will have the opportunity to interact with nationally renowned STEM professionals, engage in hands-on activities, and explore exciting experiments and exhibits. By bringing these experts together, MSF is able to spark curiosity, excitement, and interest in Mississippi's current and future STEM professions.

Where is the Mississippi Science Fest?

MS Science Fest activities take place at the four museums of the LeFleur Museum District in Jackson beginning at 9 a.m. at MDWFP's Mississippi Museum of Natural Science and 10 a.m. at the other three museums.

- MDWFP's Mississippi Museum of Natural Science
- Mississippi Agriculture & Forestry Museum
- Mississippi Children's Museum
- Mississippi Sports Hall of Fame & Museum

At MDWFP's Mississippi Museum of Natural Science:

Learn about Water on Mars with NASA educators, meet LIVE aquatic animals with museum biologists, practice Bubble-ology (the science of making bubbles), and make your own water cycle in the "Incredible Journey" game, to name a few of the exciting science activities all about water!

Check out <http://www.mssciencefest.org/> to learn more about the activities at ALL four museums during this exciting day of STEM adventure.
